

Outstanding PolyU Alumni Association Inauguration Ceremony

7 November 2013

Message

Prof. Timothy W. TONG, *Ph.D., JP*
President
The Hong Kong Polytechnic University

It is with great pleasure that I convey my personal congratulations, as well as those of our University, to the Outstanding PolyU Alumni Association on the happy occasion of its inauguration.

Our University is proud of having a very considerable number of graduates, who have made tremendous contributions toward the development of Hong Kong with the knowledge and skills acquired from their alma mater. To give recognition to our distinguished alumni, the “Outstanding PolyU Alumni Award” was launched in 1996, and has so far been bestowed on more than 50 PolyU graduates.

It is most gratifying that these award recipients have joined hands to form the Outstanding PolyU Alumni Association, which will pool their professional expertise and invaluable experience, not only to give back to their alma mater but also to contribute to our community at large. I am confident that, with members’ concerted efforts, enthusiasm and dedication, the Association will play an important role in helping PolyU to nurture our students and young graduates to become pillars of tomorrow’s society.

I would like to take this opportunity to express our sincere appreciation to all those involved in establishing this Association. I wish the Association all the best in its future endeavours.

Prof. Kenneth PANG Tsan-wing, *SBS*
President
Outstanding PolyU Alumni Association

As the Founding President of the Outstanding PolyU Alumni Association, I extend a warm welcome to all distinguished guests joining the Association’s Inauguration Ceremony today.

The prestigious Outstanding PolyU Alumni Award, launched in 1996, has so far been presented to over 50 graduates who have not only excelled in various professions and industries, but also made tremendous contributions to the University and the society.

The Outstanding PolyU Alumni Association, officially incorporated in July 2012, aims to provide a networking platform to enable our alumni to strengthen bonds, and to gather momentum to support the ongoing development of our alma mater. The outstanding academic, professional and intellectual strengths as well as the strong social and cultural ties of our members are the major assets of our Association. As its logo implies, we pool together all our experience and expertise to serve mankind (精英薈萃 四面八方).

I wish to thank our Founding Members for their invaluable contributions leading to the successful establishment of our Association. We are committed to working in close collaboration with the University to take PolyU to new heights.

Outstanding PolyU Alumni Association

Officially incorporated in July 2012, the Outstanding PolyU Alumni Association (OPAA) was established by the recipients of the “Outstanding PolyU Alumni Award”. The Association aims to provide a networking platform to cultivate and strengthen links amongst these outstanding alumni, as well as to combine their expertise and efforts to support the development of PolyU and to serve the Hong Kong community at large.

OPAA logo design

The design concept of the OPAA logo comes from 精英薈萃 四面八方, which means pooling of elites from all directions and all sectors. The logo is fundamentally inspired by the PolyU logo. The four alphabets, each tilted on different angles, represent the elites of PolyU in different industries, and OPAA is where the elites gather.

OPAA Scholarship Fund

As a gift to our alma mater to mark the OPAA Inauguration on 7 November 2013, the OPAA Scholarship Fund for PolyU students has recently been launched. Your generosity and support of this meaningful cause will be very much appreciated.
