President's Corner 會長專欄

The social turmoil in late 2019 and outbreak of coronavirus disease in recent months have posed considerable challenges for the Hong Kong society as well as our alma mater. The kick-off ceremony of the Mentorship Programme scheduled in November last year was canceled due to the temporary closure of PolyU campus. Nevertheless, our hearts to serve and learn have not changed. With the concerted efforts of our members, the Mentorship Programme has proceeded with full speed. Our mentors and mentees actively make use of technology to meet virtually, in which they treasure the precious interaction more by getting the most value from it.

Over the past few months, the Board has been working on a new initiative namely "OPAA UNITE" with the aims to gathering individual members' efforts to make positive impact to PolyU and help bring the University to its next level of excellence. Through the "OPAA UNITE", members will serve an exemplary role in nurturing a serving and giving back culture to PolyU and showcase our collective impact brought to the University, by taking lead in projects and initiatives that facilitate the University to fulfill its mission and address social needs. The support can be in areas like University Development, Nurturing Students and Fostering Alumni Community, Institutional Advancement and Sustainability, Technological Advancement and Knowledge Transfer, as well as Enhanced Internationalisation and Engaging the Nation. I look forward to all members' support in this initiative. Please keep in view for more details.

2019年的社會事件及近月的新型冠狀病毒疫情令香港社會及母校面對很大的挑戰。本會原定於去年11月舉行的大師班師友同行計劃啟動禮亦因校園暫時關閉而取消。然而，我們為理大服務和學員追求學習的熱誠並未因此而減退，憑著各會員的努力，本年度的師友同行計劃得以順利展開，導師及學員靈活變通，善用科技進行互動交流，體現師友同行的精神。

另一方面，董事局正積極籌備推出一個嶄新項目，名為「OPAA UNITE」，旨在集合各會員的力量貢獻理大，齊心協力令大學更上一層樓。「OPAA UNITE」將動員各會員以身作則，回饋母校。會員可透過領導及參與不同領域的項目，包括大學發展、培育學生及營造校友以大學為榮的環境、學院發展及可持續性、科技及知識轉移和促進國際化及參與國家發展等，協助理大實現其使命，造福社會。我誠邀各會員積極支持這個項目，詳情將於稍後公佈，敬請期待。
